Josh L

- *Recovering your recovery.*
- *Rebooting your peace and serenity drive.*
- *Resetting your no-longer-a-user ID.*
- *Scanning your hardware for allergies.*
- *Reassuring you that prayer and meditation have the power to remove your resentment towards Microsoft.**
- *Reminding you that when you're struggling, let go. Try turning it off and on again.*

Your sobriety won't run into a problem it couldn't handle and need to restart if you install the current 12-Step OS with security updates at regular meetings
